

Projects Incorporated
65 Sequin Drive
Glastonbury, CT 06033

October, 2002

Projects Incorporated of Glastonbury was presented with Pratt & Whitney Canada's "Most Improved Supplier - 2002" award at this year's October suppliers Conference held in Montreal. Projects was chosen from the field of General Machining and Fastener suppliers for excellence in improving on time delivery performance and lead time reduction through its commitment to Continuous Improvement.
